Tired of smelly synthetic fibres and sweaty cotton polo shirts? Then you need Sportwool. Sportwool is a functional knitted material made of 100% extra fine merino wool on the inside and 100% polyester on the outside. This unique combination gives you a number of advantages: **Natural odour protection. Natural regulation of temperature. UV protection. Fast drying time and iron free. Great colour stability.** Munich is made in our innovative and functional Sportwool for a long-lasting comfortable feel, even under stressful situations and hard work. Combining the best in modern man-made fiber technology with the proven attributes of ultrafine merino wool.

The short-sleeved polo shirt has a breast paspel pocket with a vertical stich for a pencil pocket. Epaulettes in form of twill straps at shoulders for reinforcements. Placket with three buttons closure and slit at side seam.
